

 Aroma Naturals<sup>®</sup>  
by  
RITZENHOFF

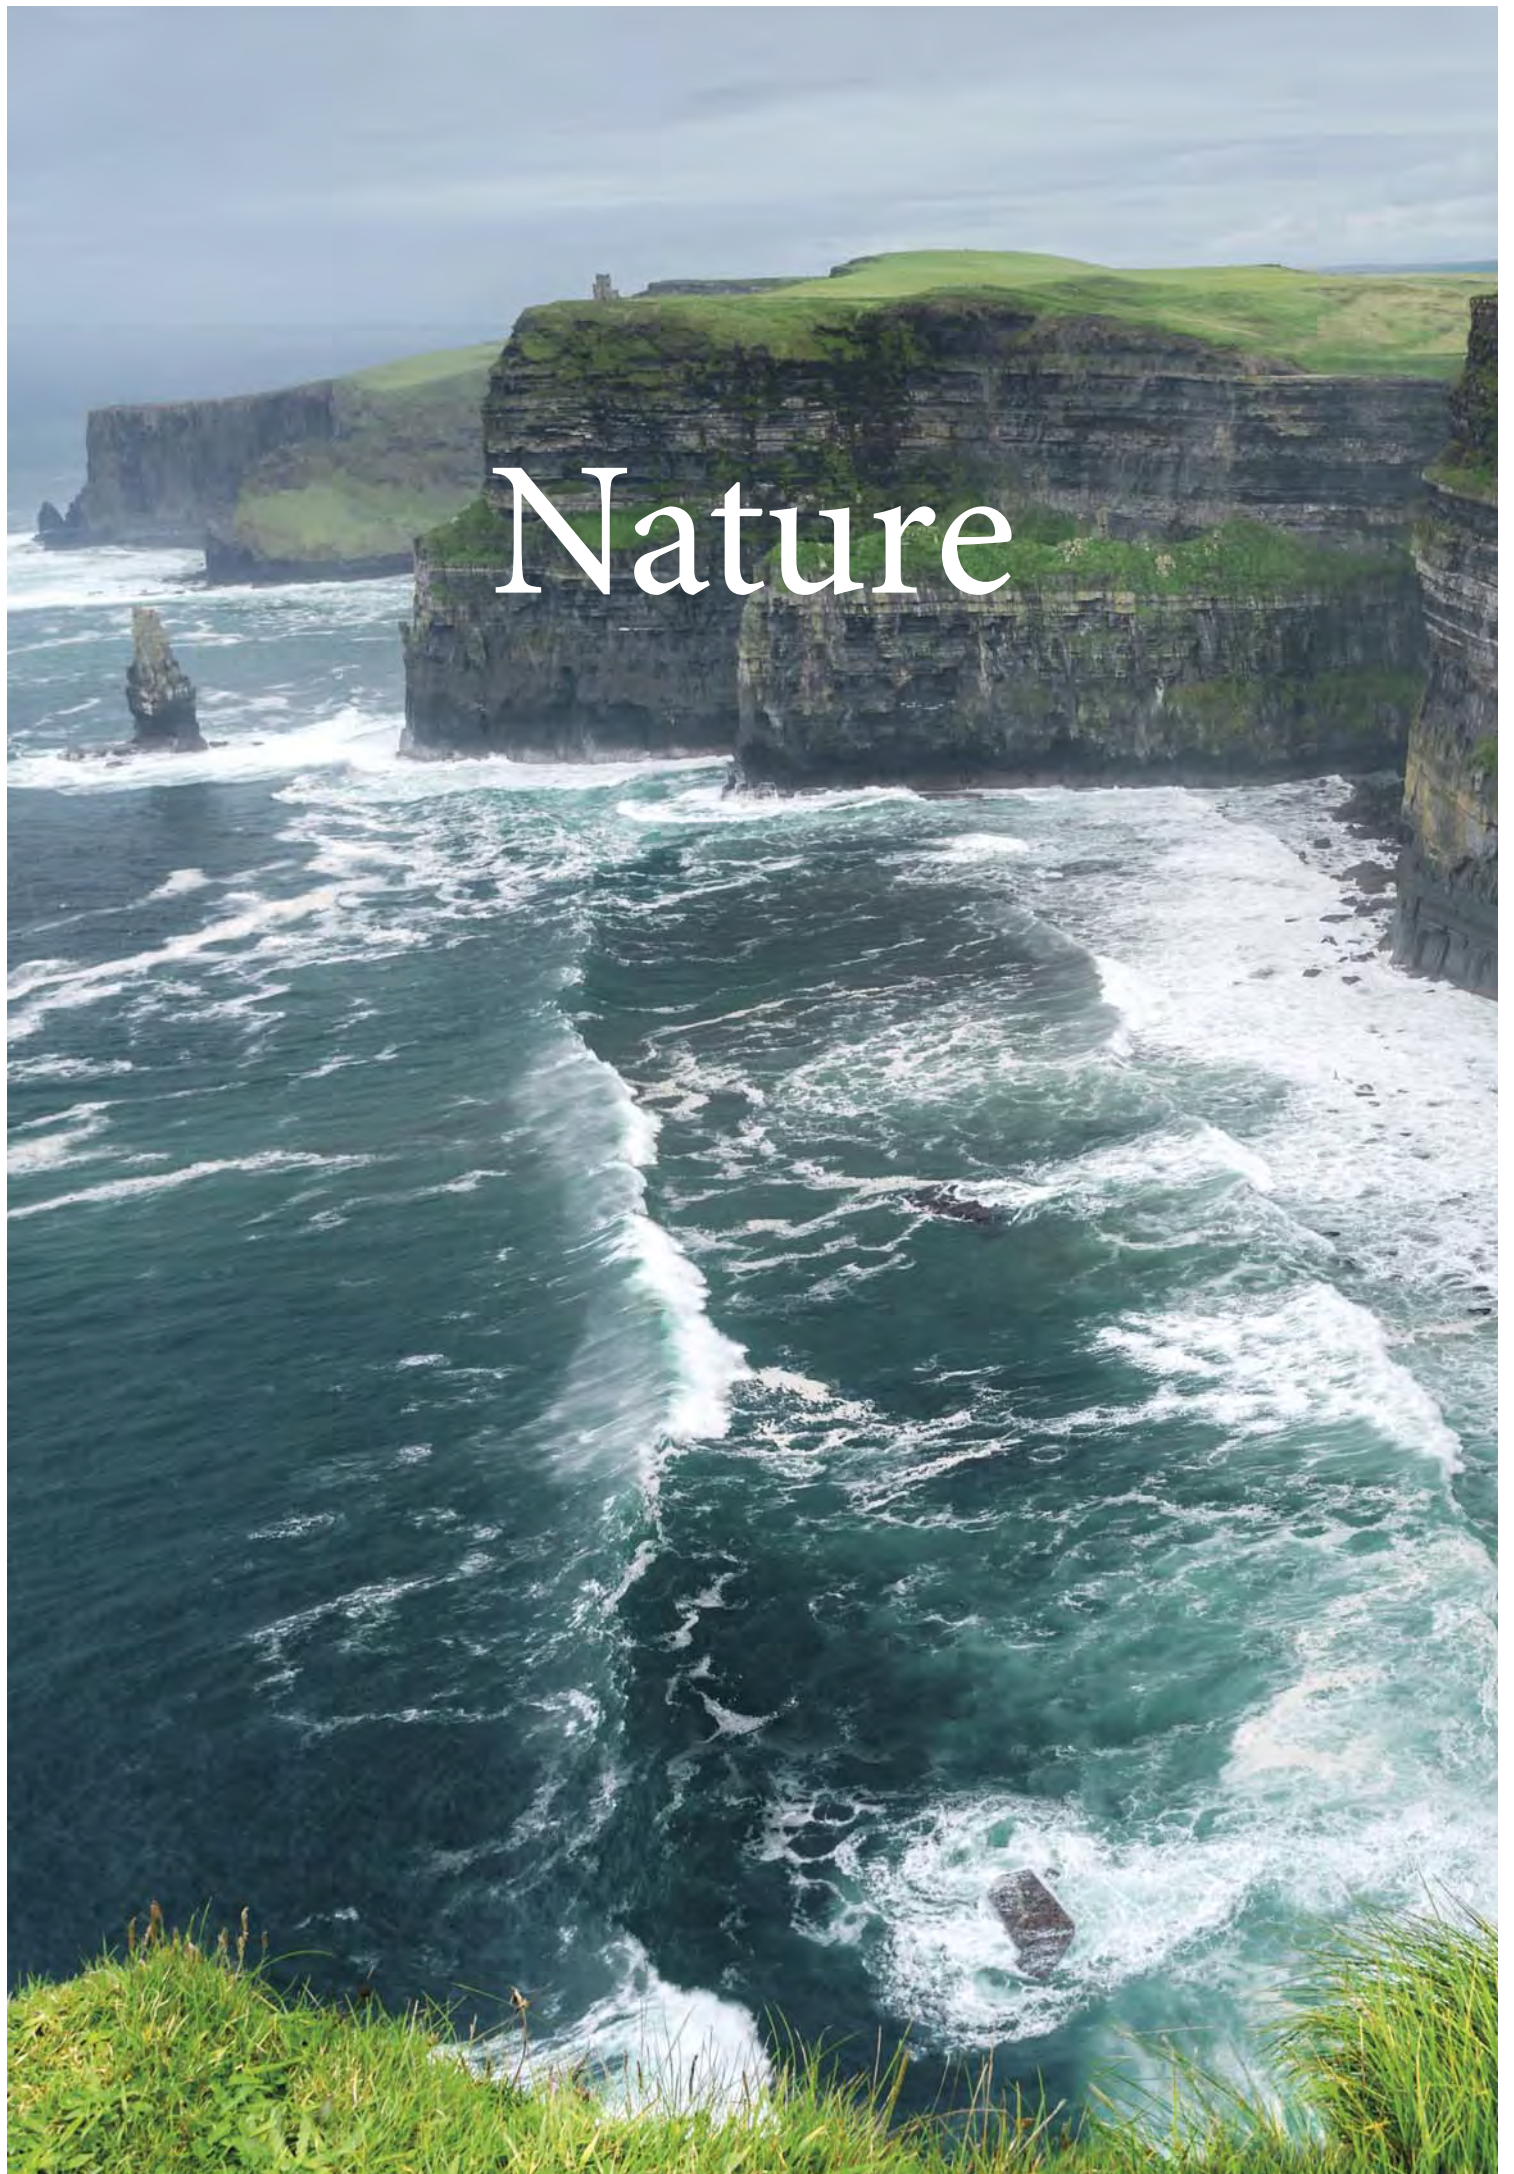

Ein Duft kann uns an verschiedene Orte entführen, unbändige Freude wecken, entspannen oder uns glücklich machen.

Ein Duft löst unmittelbar Emotionen aus. Einmal wahrgenommen, liefert unser Gehirn sofort die passenden Bilder von dem Ort, an dem wir einen Duft zum ersten Mal wahrgenommen haben. Beim Duft von Lavendel entsteht eine Gedankenreise in die Provence, ein Zitrusduft schickt uns an die Amalfiküste, ein Hauch Rosenblüte lässt uns durch englische Rosengärten in Cornwall flanieren.

Exotisch duftende Gewürze rufen Erinnerungen an den letzten Urlaub in Marrakesch wach und Aromen von frischem Gras lassen uns auf einer Alm den Frühling erleben. Erinnerungen, die mit Düften verbunden sind, sind sehr intensiv und bleiben immer sehr klar abrufbar.

—

*An aroma or scent can conjure vivid memories of spaces and places, make us happy, make us relive special moments and help us unwind. Smells trigger emotions, and once our olfactory senses have picked up on one, our brains are quick to deliver images that match the association with have to that particular aroma. The smell of lavender will take us on a trip to France's Provence, or the scent of lemons will whisk us away to the Amalfi Coast, while the smell of roses will transport us to a quaint Cornwall rose garden. Exotic spices will rekindle fond memories of holidays to Marrakesh, while the smell of fresh grass reminds us of spring on a mountain pasture. Olfactory memories are intense and almost always vibrant and vivid.*

Nature

Die Natur liefert uns intensive Aromen in Hülle und Fülle,  
die in den Düften der Kollektion Nature eingefangen wurden. Die  
Duftkerzen in satinierten Glasgefäßen mit Holzdeckeln und die  
schönen Flakons für den Raumduft passen perfekt in den modernen  
Landhausstil.

*The Nature collection harnesses the intense scents found in  
abundance in the wilderness. The scented candles come in a glass  
with a satin finish and a wooden lid, and the beautiful room scent  
bottle diffusers fit perfectly into any modern country-house  
style space.*

# Luxury

Kostbare Düfte mit einem Hauch Exotik finden sich in der Kollektion Luxury. Die Duftkerzen im exklusiven Metallic-Look in Kupfer, Gold und Silber und die formschönen Flakons verleihen ihrer Umgebung einen luxuriösen Touch.

---

# Modern

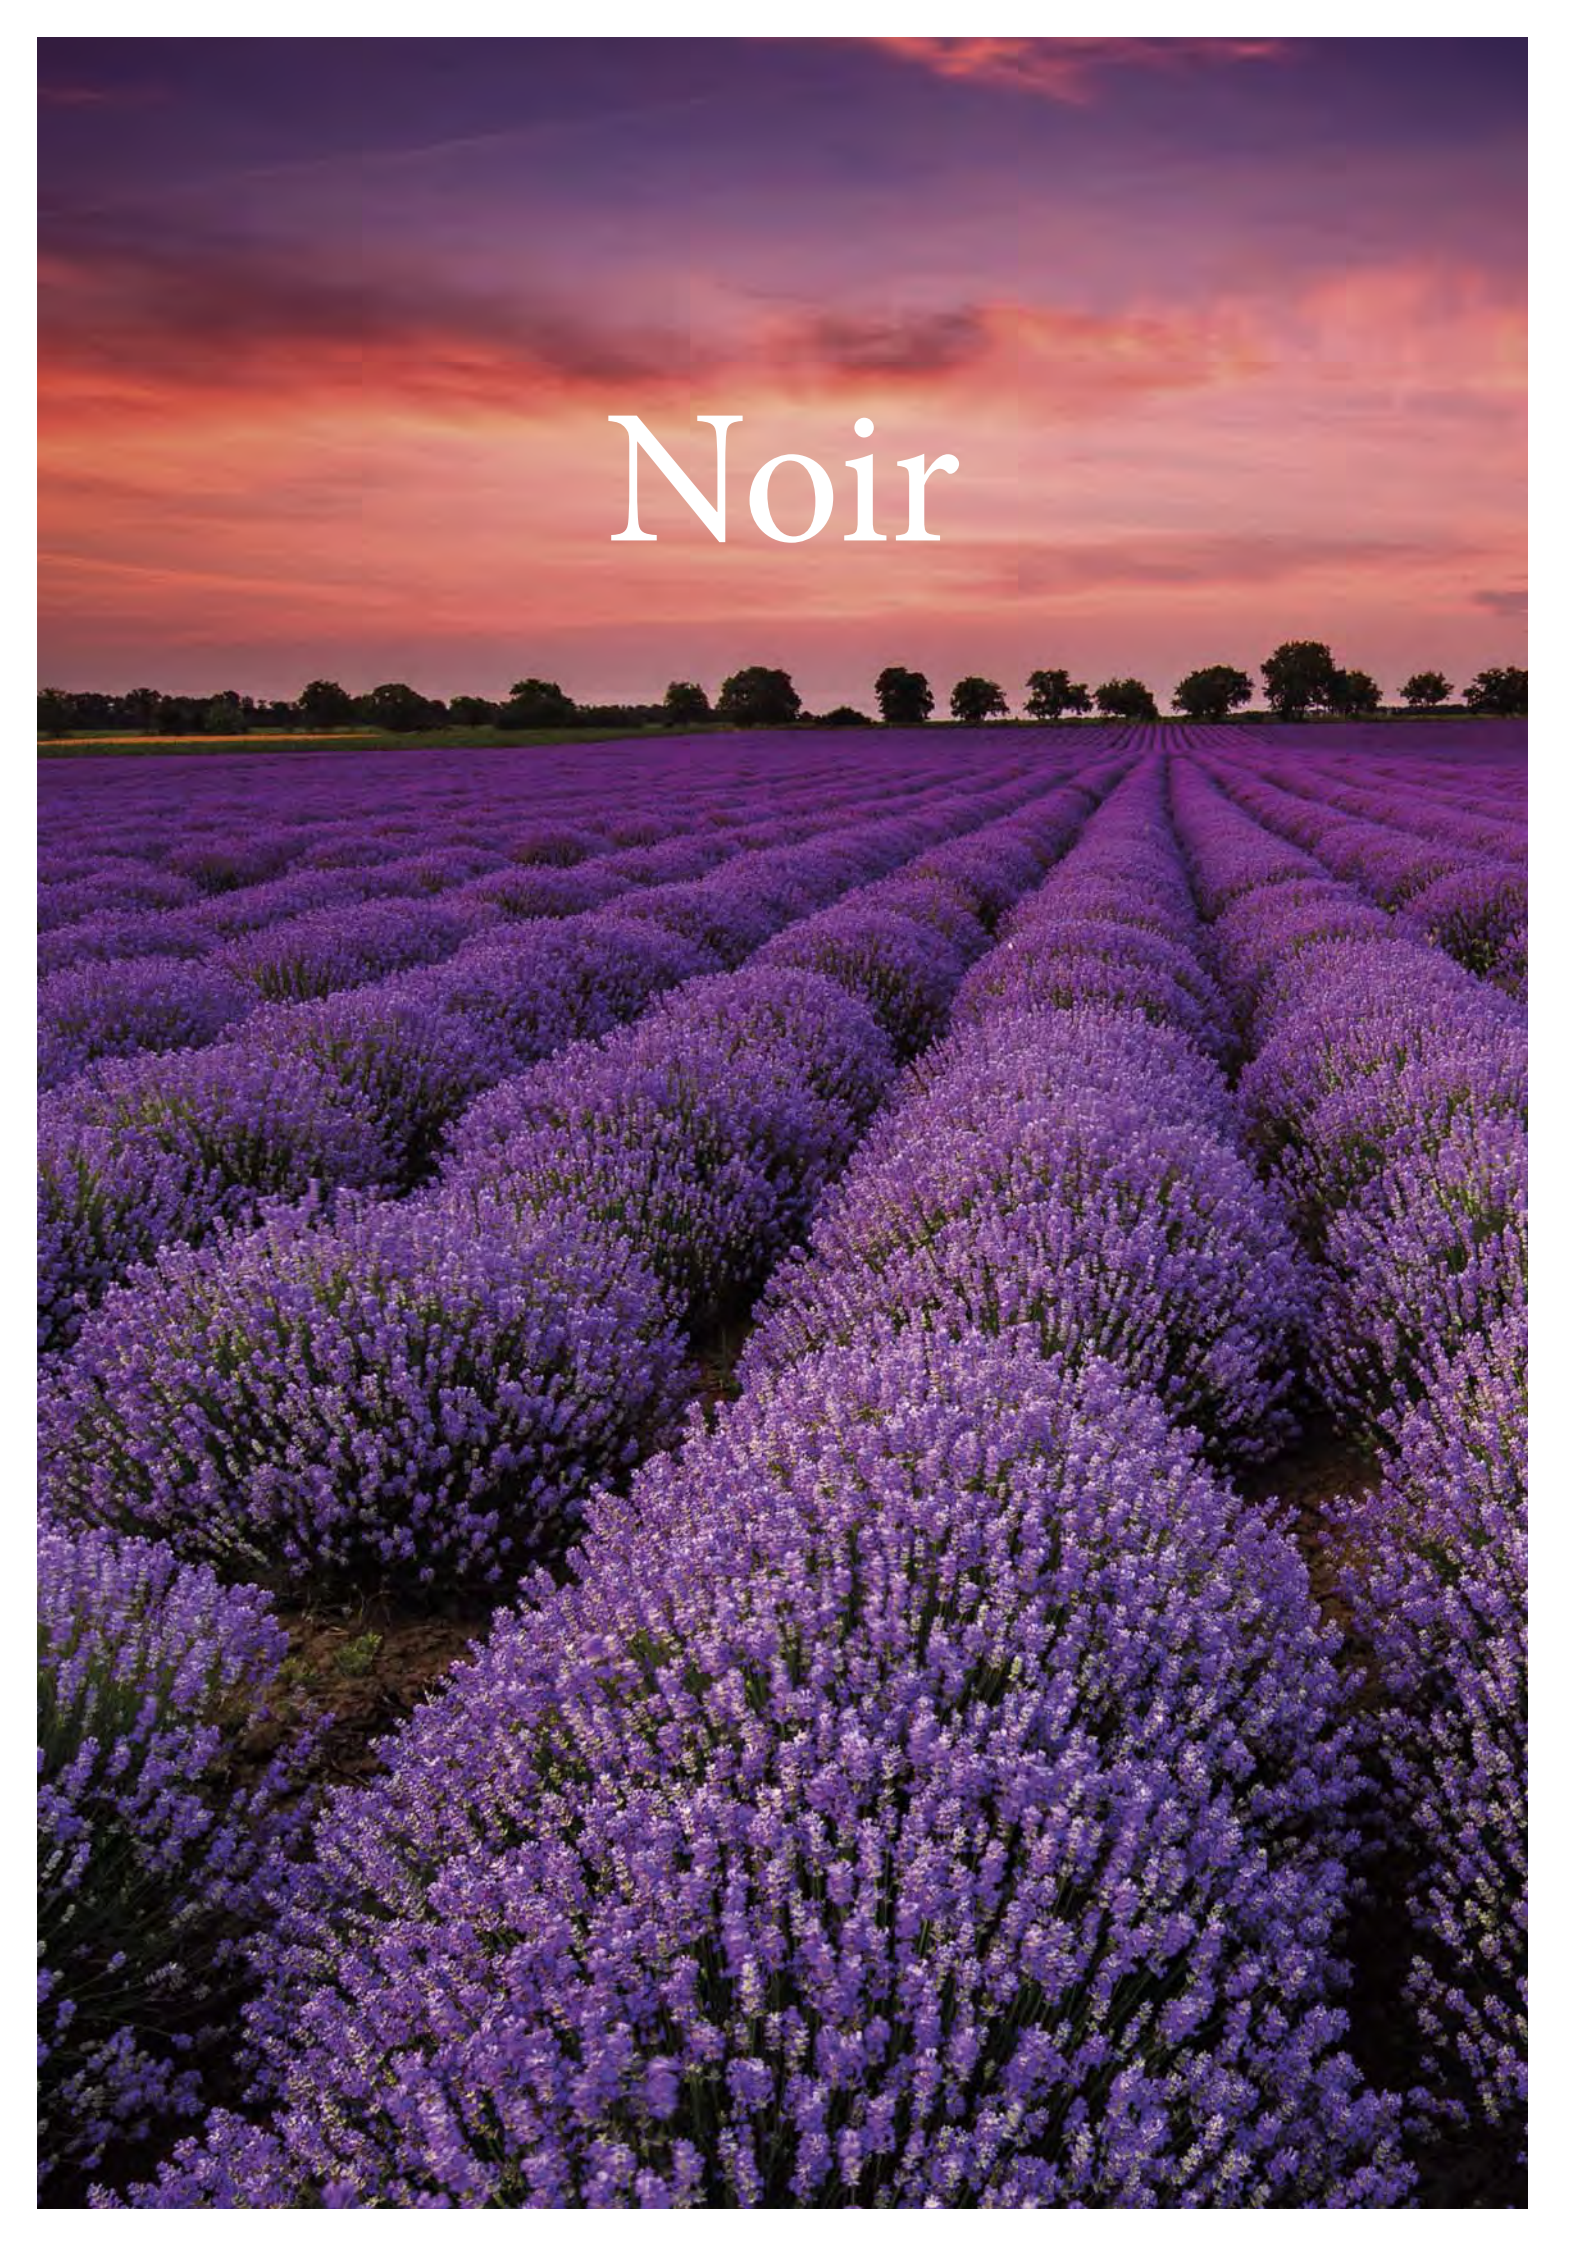

In der Kollektion Modern werden klassische Düfte modern interpretiert und präsentiert. Duftkerzen in trendigen Pastelltönen und Diffuser in reduziertem Design, geradlinig und hochwertig. Ergänzt durch farblich passende Verpackungen, verleihen sie ihrer Umgebung moderne Frische.

---

*The Modern collection interprets classic scents in a new fashionable way. The scented candles and diffusers are both reduced and minimalistic in design for a high-quality, modern look. With their pastel-coloured packaging, the Modern collection is a must-have to add a modern and fresh touch to your space.*

A wide-angle photograph of a lavender field at sunset. The rows of purple flowers stretch from the foreground into the distance, creating a strong sense of perspective. The sky is a mix of deep purples, pinks, and oranges, with some clouds catching the low light. A line of dark trees marks the horizon. The word "Noir" is written in a white, elegant serif font in the upper center of the image.

Noir

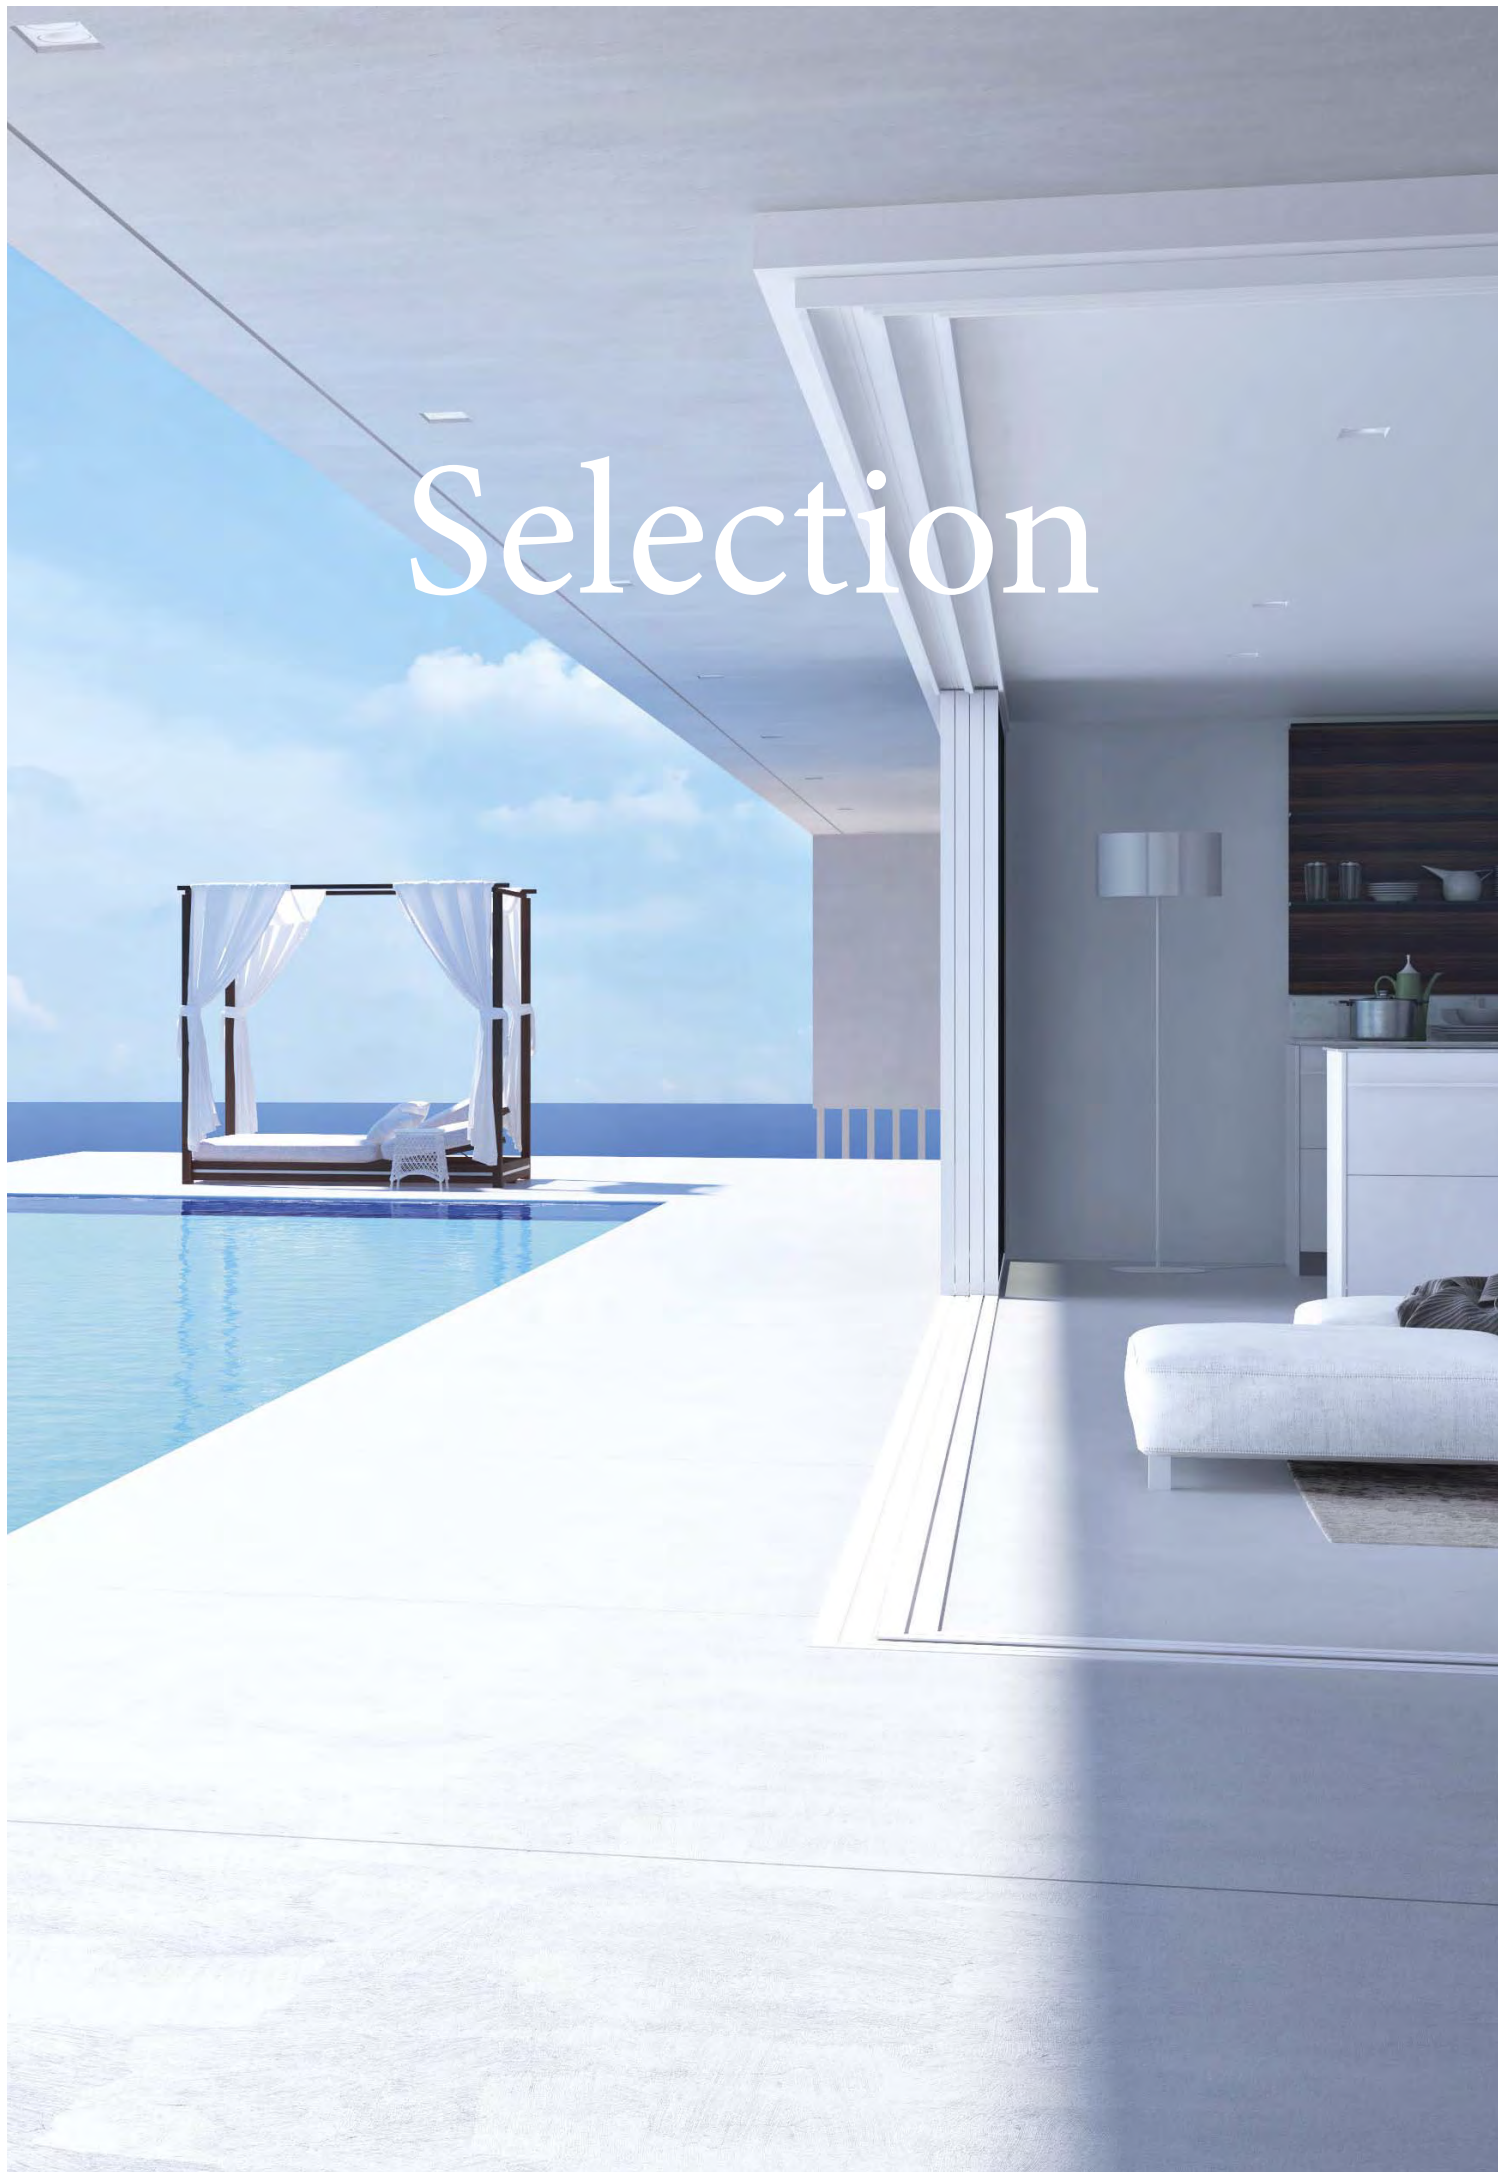

Die Kollektion Noir umfängt uns mit kostbaren Düften, deren Aromen sinnliche Wärme ausstrahlen. Duftkerzen und Diffuser sind in edlem Mattschwarz gehalten. Goldakzente und florale Ornamente in Blushtönen erinnern an einen eleganten Boudoir-Stil und setzen glamouröse Akzente in jeder Umgebung.

---

*The Noir collection infuses luxurious aromas that radiate sensual warmth. Scented candles and diffusers come in elegant matt black. Golden colours and blush-toned floral ornaments are reminiscent of a lustrous boudoir—perfect for glamorous moments any time anywhere.*

# Selection

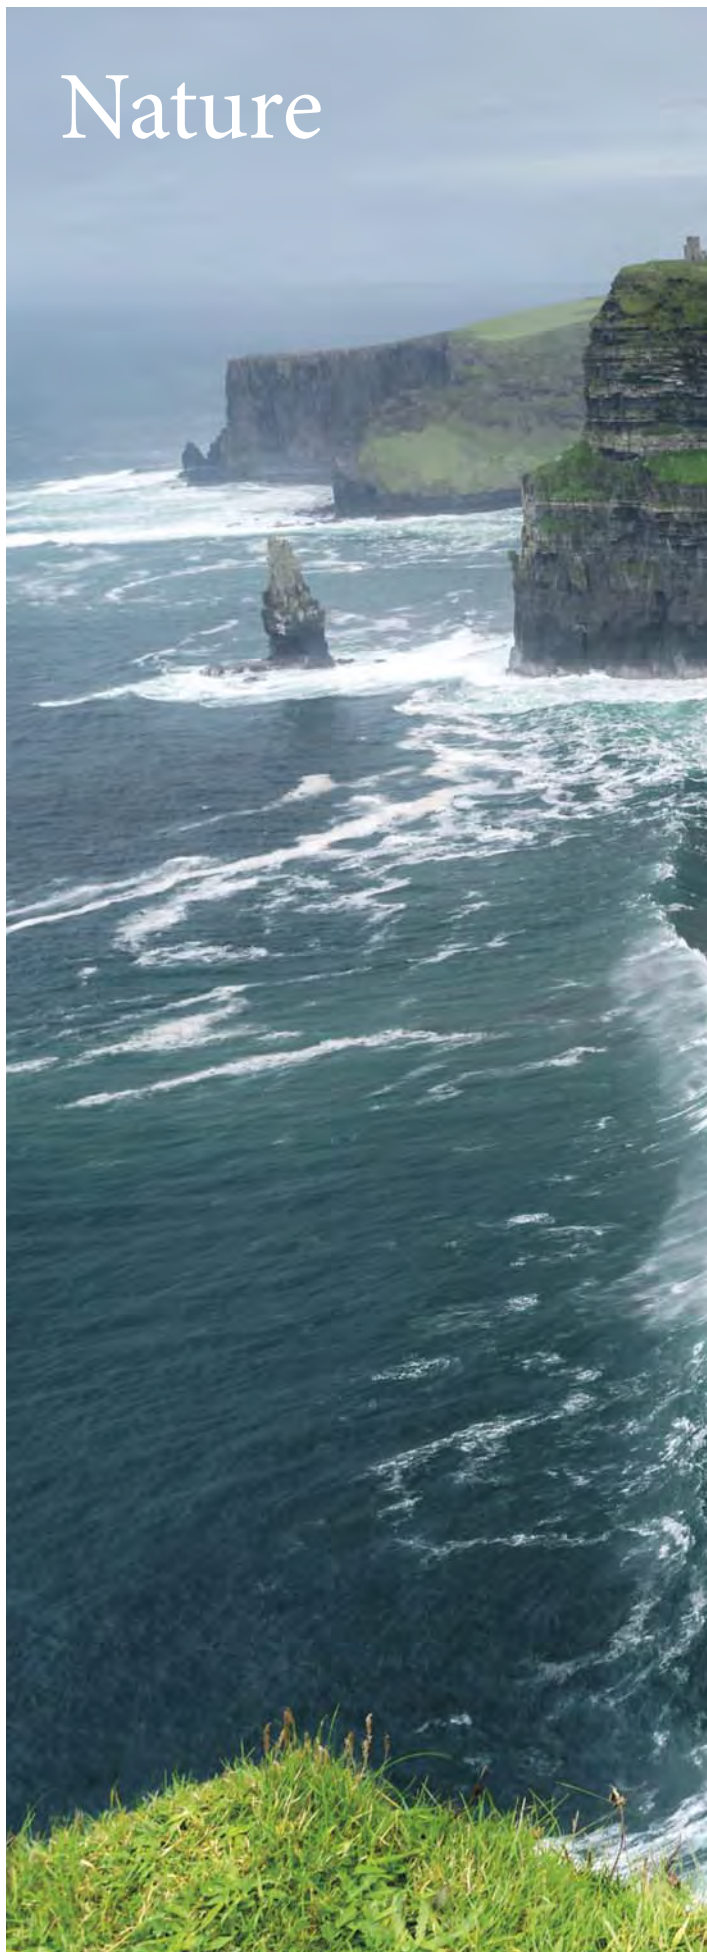

Die ausgewählten Kompositionen der Kollektion Selection schicken uns auf eine Duftreise an die schönsten Sehnsuchtsorte der Welt. Die Duftkerzen und Diffuser präsentieren sich in satiniertem, farbigem Glas, teilweise mit Deckeln in Roségold. So werden sie zu Schmuckstücken für alle Sinne.

---

*The composition of the Selection range takes us on a wonderful journey to far away places of beauty. The scented candles and diffusers are available in coloured glass and come with a satin finish. A selection of which comes with a rosé-coloured lid. This makes every candle an ornament your senses will enjoy.*
